
SONGS FOR SENIORS

"He gets our vote!!

**We want to have Michael return to
The Regency House year after year!**

**He not only has a terrific voice,
he has a great personality and we love him!"**

**Lois Satagaj and Residents,
The Regency House, Wallingford, CT**

**"It's very rare to find a singer with a diverse
repertoire as Michael Ciulla's.
From classic romantic ballads of the past
to today's modern upbeat songs,
he engages our residents and they have a
great time from start to finish!
You won't find a more entertaining singer
than Michael!"**

**The 'Rec-ing' Crew
Arden House, Hamden, CT**

**"Michael Ciulla,
as a performer, has style and class!
He is always on time with a bright welcome
and a playful approach to the audience.
This would not be enough to
carry through with a delightful show,
but because he can really sing, too,
any music lover would welcome him back!
Our residents of Immanuel House fill the
room when he is scheduled to be with us!"**

**Cindy John, Activities Director
Immanuel House, Hartford, CT**

**"A true professional who has the ability
to glean the direction the audience
wants to go in, and then takes them
beyond their expectations!"**

**Captain Colette Masom
Salvation Army, Older Adult Ministry**

SONGS FOR SENIORS

'Songs for Seniors' are songs I grew up listening to.

They were my Parent's songs, and comprised the soundtrack of my youth.

I know these songs. I love these songs!

I am a lifelong professional performer with extensive experience with mature audiences.

I am old enough to know this music, and young enough to play it right!

I present these songs straight from my heart,
with respect and admiration for the generation
that holds them near and dear to theirs!
I have been privileged to see their happy faces
and dancing feet for more than twenty years.
